République Gabonaise, 5000 Franc CFA, BEAC 1973–2003. French assets: Uranium mines depicted in Mounana, Gabon. The French owned nuclear company Areva extracted from the mines for decades. The mines closed in the early 90'ies and the area is now a toxic no-go-zone.

Cover image: BCEAO, 1000 Franc CFA, 2003-- Current CFA bank note, fragment, close up of unstable water currents.

'Eurafrica' the concept of an extra-european zone where European states would continue to collectively manage the colonies. Cartographic representation of the imagined three main geopolitical spheres with Eurafrica at the centre. Source: Eugene Guernier, L'Afrique et L'Europe: Atlas, 1942.
